

LEMBAGA JURUUKUR BAHAN MALAYSIA

BOARD OF QUANTITY SURVEYORS MALAYSIA

LIST OF RECOGNISED QUALIFICATIONS

JANUARY 2012

LIST OF RECOGNISED QUALIFICATIONS

PREAMBLES (MAY 2010 REVISION)

1. The following list of qualifications accredited for registration by the Board of Quantity Surveyors Malaysia (the Board) is applicable to full-time programmes conducted at the universities or colleges and by the awarding universities or colleges. The recognition is not applicable to degrees obtained through part-time studies, distance learning courses, twinning programmes, franchising arrangements and bridging schemes unless such programmes on pathway have been specifically accredited by the Board.
2. Qualifications obtained through part-time studies, distance learning programmes, twinning programmes, franchising arrangements, bridging schemes or any other form of advanced entry with exemptions from parts of the programme, or which do not require the students to undertake the entire programme at the awarding universities or colleges are to be so stated on the examination transcript/certificate/degree and made known to the Board at the time of application for registration.
3. The accreditation of QS degree programmes is subject to a review by the Board as and when deemed necessary. As a basic requirement for continued accreditation, universities or colleges shall submit to the Board through annual report information on any change in the name, structure, syllabi, contents, entry requirements, duration, etc. of the programme.
4. Holders of these qualifications must possess a credit in Mathematics in Sijil Pelajaran Malaysia or 'O' Level examinations (or other equivalent qualifications). Universities or colleges should adhere to the entry requirements into their degree programme imposed by the Malaysian Qualifications Agency (MQA) or local equivalent
5. Qualifications obtained via Advanced Entry into BQSM's accredited programmes shall be subjected to the BQSM's **Guidelines for Advanced Entry into BQSM's Accredited Degree Programmes** which is available at the Board's website or www.bqsm.gov.my upon request.

6. The Board has decided that from January 2002, only students admitted to the quantity surveying courses on the current list of recognised qualifications will be eligible on graduation to apply for registration as a Registered Graduate Quantity Surveyor with the Board without any topping up requirement. Graduates from universities whose quantity surveying or QS related courses are not on the list will be required to sit and pass a minimum of the subjects consisting of the following papers in the Institution of Surveyors Malaysia Direct Final Exam before being eligible to apply for registration as a Registered Graduate Quantity Surveyor with the Board:-
 - a) Professional Practice 2
 - b) Measurement 3
 - c) Development Economics

7. This list will be updated from time to time. Intending students are strongly advised to check the current status with the Board or through our web-site before applying to or accepting offers from foreign universities for quantity surveying programme to avoid any problems later on when seeking to register with the Board. They should seek clarification or confirmation from the Board especially in respect of specific period or condition for accreditation of foreign universities.

**LEMBAGA JURUUKUR BAHAN MALAYSIA
BOARD OF QUANTITY SURVEYORS MALAYSIA**

LIST OF RECOGNISED QUALIFICATIONS

JANUARY 2012

CATEGORY I - PROGRAMMES ACCREDITED BY THE BOARD

SECTION I - MALAYSIA

(A) Professional Institutions

Royal Institution of Surveyors, Malaysia

- 1) Member ΔΔ
- 2) Pass Final/Direct Final Examination

(B) Universities

- 1) **Kolej Universiti Teknologi Antarabangsa Twintech (19/09/2011 - 18/09/2014)**
Bachelor of Quantity Surveying (Hons)
- 2) **Tunku Abdul Rahman College (12/05/2011 - 11/05/2014)**
Advanced Diploma in Quantity Surveying
(Graduants required to obtain one (1) year working experience under supervision of Registered Quantity Surveyor before eligible to apply as a Registered Graduate Quantity Surveyor with the Board.)
- 3) **Universiti Islam Antarabangsa Malaysia (25/05/2009 - 24/05/2012)**
Sarjana Muda (Kepujian) Ukur Bahan
- 4) **Universiti Malaya (01/01/2010 - 31/12/2013)**
Sarjana Muda (Kepujian) Ukur Bahan
- 5) **Universiti Teknologi Malaysia (05/10/2009 - 04/10/2012)**
Sarjana Muda (Kepujian) Ukur Bahan
- 6) **Universiti Teknologi MARA, Malaysia (25/07/2009 - 24/07/2012)**
Sarjana Muda (Kepujian) Ukur Bahan

SECTION II - AUSTRALIA

(A) Professional Institutions

- 1) **Australian Institute of Quantity Surveyors**
Associate Member ΔΔ

(B) Universities

1) Curtin University of Technology (17/12/2009 – 16/12/2012)

Bachelor of Applied Science (Construction Management and Economics)
Post 2004

Note: All Malaysian undergraduates shall be required to acquire six months practical training in Malaysia or Australia under the approved supervision of CUT prior to the award of the Degree

2) Queensland University of Technology (28/05/2010 – 27/05/2012)

Bachelor of Urban Development (Quantity Surveying) with and without Honours

SECTION III - UNITED KINGDOM

(A) Professional Institutions

1) Royal Institution of Chartered Surveyors, U.K.

Member/Fellow ΔΔ

(B) Universities

1) Heriott Watt University (30/08/2010 -29/08/2012)

BSc (Hons) Quantity Surveying

2) Liverpool John Moores University (21/07/2011 – 20/07/2014)

BSc (Hons) Quantity Surveying

3) Sheffield Hallam University (25/01/2009 - 24/01/2012)

BSc (Hons) Quantity Surveying

4) The Robert Gordon University (25/05/2010 - 24/05/2012)

BSc (Hons) Surveying

5) University of Portsmouth (03/05/2010 - 02/05/2013)

BSc (Hons) Property Development with Quantity Surveying

6) University of Reading (03/05/2010 - 02/05/2013)

BSc (Hons) Quantity Surveying

7) University of Salford (29/08/2010 - 28/08/2012)

BSc (Hons) in Quantity Surveying

8) University of West of England (16/12/2009 -15/12/2012)

BSc (Hons) in Quantity Surveying and Commercial Management

SECTION IV – NEW ZEALAND

1) UNITEC, New Zealand (21/06/2010 – 20/06/2013)

Bachelor of Construction

NOTES:-

- (i) (*) Graduates without honours degree are eligible to apply for registration as Registered Graduate Quantity Surveyor with the Board, provided that they have completed a four-year degree programme which includes dissertation.
- (ii) (dd/mm/yy – dd/mm/yy) Duration of accreditation / re-accreditation
- (iii) IHL shall submit Annual Report and External Examiners Report and any major changes in the syllabus, structure or mode of delivery of the programme must be highlighted to the Board before they are implemented.
